STABILITY WHOLESALERS

INTRODUCTION

Stability Wholesalers was formed as a distributor of plumbing goods which were fit for purpose and value for money. With a number of "house brands" in the Stability stable, this is a business which has both flexibility to market demands and consumer trends. We pride ourselves on our knowledge of the industry and market requirements and scan for the world for the product to best suit these needs.

Choose from our extensive range of sanitaryware and taps & mixers. Also distributing all types of tubes and pipes; galvanized, copper & PVC; together with a range of fittings to complement each type of pipe. Standard Domestic range of quality stainless steel kitchenware, made of the finest materials, as well as an extensive range of general plumbing accessories.
